

## SCHOOL COMMITTEE-SUPERINTENDENT RELATIONSHIP

The Committee believes that exercising its legislative function through policymaking is its most important responsibility. The Committee is also responsible for setting the direction for the school unit and evaluating progress toward goals.

The management of the schools is the function of the Superintendent. The Committee holds the Superintendent responsible for complying with all applicable laws, rules and regulations; for administering Committee policies and decisions; for the operation of the schools and educational program; for the system of supervision and evaluation of staff; and for keeping the Committee informed about school operations, problems and Opportunities. The Committee recognizes that the Superintendent may delegate certain responsibilities to other personnel. Such delegation does not relieve the Superintendent of the final responsibility for actions taken.

The School Committee, collectively and as individual members, shall:

- A. Recognize the Superintendent as the educational leader of the school unit;
- B. Provide direction for the Superintendent through written policies, objectives and goals for the school unit;
- C. Give the Superintendent full administrative authority and support for properly discharging professional duties, while holding him/her responsible for acceptable results;
- D. Hold all School Committee meetings in the presence of the Superintendent, except as otherwise permitted by law or when the Superintendent voluntarily excuses him/herself at the request of the Committee.
- E. Refer complaints, criticisms, and requests to the Superintendent or other appropriate personnel and discuss them at Committee meetings only after administrative solutions have been exhausted; and
- F. Evaluate the Superintendent and provide appropriate opportunities for the Superintendent to share his/her perceptions regarding the working relationship between the School Committee and Superintendent.
