

**Chebeague Island School Department
School Committee Policy**

EB

SAFETY PROGRAM

It shall be the policy of the Chebeague Island School Committee to take every reasonable precaution to protect the safety of all students, employees, visitors and others present in the school, on school grounds and at school-sponsored events.

A district Safety Committee will be established to identify areas of concern and make recommendations for improving safety.

The Principal/Superintendent shall be responsible for the supervision of a safety program for the Chebeague Island School and he/she shall have overall responsibility for the safety program of the district. General areas of emphasis shall include, but not be limited to: in-service training, accident record keeping, building and grounds inspections, driver and vehicle safety programs, fire prevention, emergency procedures and traffic safety problems relevant to students, employees and the community. The Principal/Superintendent will develop plans and procedures to accompany this policy.
